

# BLACK GIRL KNIT CLUB

## How To Create your own jersey knitted bracelet:

Here is a step by step guide on how to create a Black Girl Knit Club inspired jersey bracelet. A great example of recycling fabrics to make something fashionable, we have included our BGKC yarn with recycled T-shirt yarn. Follow these simple steps below:

**Material List:**  
12 mm needles,  
100g T- Shirt yarn  
(jersey) and strips of  
BGKC wax print yarn

**STEP 1**

Create a slip knot onto your left hand needle. Leaving 10cm of yarn at the end

**STEP 2**

Cast on 12 stitches onto your left-hand needle. Be sure to leave the 10cm of yarn behind.

**STEP 3**

Begin to cast off your knitting until the end of the row, to form your bracelet

**STEP 4**

Continue to cast off your knitting.

**STEP 5**

When you have reached the last stitch, create a knot to secure your bracelet

**STEP 6**

You will now have two pieces of yarn at the end of one side of your bracelet

**STEP 7**

Weave in one of the jersey ends through the loops of your knitting. This can also be done using a large tapestry needle

**STEP 8**

Now cut 10cm of jersey yarn and attach to the other end of your knitted bracelet, using a single knot

**STEP 9**

You will now have a jersey bracelet, with two strips of jersey yarn on either side.

**STEP 10**

Cut two 10cm strips of the wax print cloth. Attach each piece with a knot to both ends of the loose strips of jersey yarn.

**STEP 11**

You now have wax print cloth ends attached to either side of the bracelet. Make sure you secure the strips with a single knot, 1cm from the ends

**STEP 12**

You can secure your finished bracelet around your wrist by tying both ends together in a simple knot.
