

EASA Certification Information

No.: 2025-09

Issued: 08 July 2025

Subject: Notification of surrender of EASA Type Certificate No. EASA.A.397 affecting HS 748 models

Certificate No: EASA.A.397

Issue Date: 15 January 2015

Issued by: European Union Aviation Safety Agency

Holder of the Certificate: BAE SYSTEMS (OPERATIONS) LIMITED

Model: HS 748 Series 1, 2, 2A and 2B

Background: The current holder of Type Certificate (TC) EASA.A.397 had planned to surrender its TC for the HS 748 Series 1, 2, 2A and 2B models, having informed EASA that these models are no longer produced and that, to their knowledge, only few aircrafts are being operated. Consequently, they intended to surrender the TC of this aircraft type.

In accordance with the applicable EASA administrative procedures, the notification of intent to surrender was published on the EASA website for public consultation under EASA Certification Information 2025-01 dated 23 January 2025 and disseminated to all ICAO member states.

As no comment was received during the public consultation, EASA has decided to accept the surrender request in accordance with the applicable administrative procedures.
